

## Roadmap for Recovery

On the 18<sup>th</sup> of May some changes will be made.

Most Protocols will be the same.

Staying safe and having protocols in place to prevent the spread of COVID-19 is important

Hygiene Kits will be in participants homes, with support workers and in vehicles.

All team members sign a document to confirm they will not attend work if they are unwell or have been in contact with someone who is unwell

All cars will be wiped down before and after use and cleaned regularly

Each room at the office has a limit of the number of people that can be there at a time.  
Some office staff are working from home.

Meetings can be held online

3 Participants can travel at the same time  
in a VAN

2 Participants can travel at the same time in a CAR

Five visitors in your home (includes support workers and other participants) at a time

Social Distance means we need to stay 2 metres apart from other people.

We can go to parks and community spaces where there is no more than 20 people (including Support Workers) and we can maintain social distance

People who are vulnerable should stay home to protect their health
